

Professional Learning Course Calendar – Semester 1, 2021

Dates Available

Each course (with the exception of Mentoring) has two designated time periods during 2021.

It is possible to easily complete courses with overlapping dates.

Note: Courses will remain active for 2 weeks after the completion date; after this time you will still have access to the material but will be unable to complete tasks unless you have applied for an extension.

All courses can be completed by request and on-demand.

The following courses were created for Educators working at Proficient Level
