

## Professional Learning Course Calendar – Semester 1, 2021

---

### Dates Available

Each course (with the exception of Mentoring) has two designated time periods during 2021.

It is possible to easily complete courses with overlapping dates.

**Note:** Courses will remain active for 2 weeks after the completion date; after this time you will still have access to the material but will be unable to complete tasks unless you have applied for an extension.

### Courses by Request

Any course can be requested for a group of staff at a suitable time for the school. A selection of courses are available by request for school groups during Staff Weeks and Term Break. See these courses on the following page.
